

# Luke Slomba

Industrial Designer - Chicago, IL

**T** 847.834.9573

**E** lslomba@gmail.com

**W** [www.lukeslomba.com](http://www.lukeslomba.com)

## Goal

To use my creativity, skills, and passion for design to help develop products which will enhance the users experience and life

## Experience

### **Industrial Designer, Ion Exhibits; Itasca, IL — 2012-Present**

Design all aspects of exhibit spaces including visual and structural components, and 2D graphic elements. Prepare art for internal and external production.

### **Industrial Designer, Benchmarc Display INC.; Vernon Hills, IL — 2006-2012**

Present rough sketches, Photoshop, and computer aided renderings as well as full in store mock-ups while following the project into and through production.

### **Volunteer, UIC ::connectID; Chicago, IL — 2010-Present**

Mentor students at the University of Illinois at Chicago to promote their professional design development.

### **Freelance Industrial Designer, Outhouse Design; Chicago, IL — 2005-2009**

Consult on exhibit projects ranging from International Trucks at the Chicago Auto Show to the Vancouver 2010 Winter Olympics.

### **Financial Associate, Citibank North America; Northbrook, IL — 2001-2006**

Provide great customer service while maintaining growing sales goals and helping train new members to ease their transition into our team environment.

## Education

### **University of Illinois at Chicago, BFA in Industrial Design — May 2006**

### **Industrial Designer, University of Illinois at Chicago — 2005-2006**
